___ Certification Committee

The Certification Committee reviews and maintains the application and portfolio process to ensure relevance to the industry. The committee also reviews and approves the applications and portfolios for examination eligibility.

___ Communication and Outreach Committee

The mission of the Communication and Outreach committee is to increase awareness and presence of the College through media and personal outreach. The COC actively pursues interaction with certificants, healthcare agencies, providers, architects and contractors. The structure for the outreach programs includes opportunities for education, candidate recruitment, advocacy, and best practices guidelines. COC provides communication on up-to-date trends with eVoice, college activities with the Quarterly, education and mentorship as well as brand development and marketing.

___ Continued Competence Committee

The Continued Competence Committee creates and maintains the ACHA learning programs including workshops, seminars and roundtables at the national level (Ex: PDC and HCD conferences.) In addition, the AENC identifies and oversees the organization of regional ACHA learning and recruitment programs including workshops, seminars to offer value to ACHA certificants and to bring awareness of the ACHA to the public and prospective candidates.

___ Examination Committee

The Examination Committee assists in the development of the ACHA examination to ensure that the examination is professionally sound and legally defensible. The committee oversees that all examination questions refer to the detailed content outline and can be referenced appropriately. The committee meets regularly to write new examination questions and review the current examination to ensure accurateness.

___ Career Path Committee

The ACHA Career Path [recruitment and retention] Committee is committed to serving as an organizational framework for connecting with our certificate holders and potential future certificate holders. The committee will engage stakeholders along the career arc of healthcare architecture to identify, communicate and reinforce the value and role of the College, and expand its touchpoints with potential, emerging, advancing and emeriti ACHA certified healthcare architects.
